

# HONEYBEE

## DIRECTIONS & ARRIVAL INFORMATION

**HOUSE LOCATION**  
**47 Greeley Bar Harbor, ME, 04609**  
**(207) 288-0789**

### **DIRECTIONS**

As you enter the town of Bar Harbor on Rt 3, Cottage St will be on your left. This is the main street of Bar Harbor and you will see Bar Harbor Bike on the left. Turn here onto Cottage St and proceed .2 mile until you see Hannaford's Grocery store on the right. Just past Hannaford's, take a right onto Greeley Ave. This road is narrow and local travel proceeds in a CLOCKWISE direction around the loop. The Honeybee house is yellow and on the right side of the road, you will see our lawn sign out front. When parking, due to the narrowness of the road, please park on the parking pad and not on the road or you will block in the neighbors on the other side of the street. If you have more than 2 cars, please park the extra vehicle in the Hannaford lot. If you have any trouble finding the house, call us at (207) 244-0066. Please remember that check-in time is 4 p.m. This allows us enough time to fully prepare the house for your arrival.

### **WHEN YOU ARRIVE**

The house will be unlocked and on the kitchen table you will find the house key, a welcome letter with instructions pertaining to the house, an accordion folder chock full of menus from local restaurants, brochures, maps and other helpful information about the area, and a Mountain Sea Properties donation binder. This binder highlights 10 local organizations that we are considering to receive our yearly contribution. If you like, please tell us where you would like our efforts to go by filling out the voting ballot you will find inside the binder.

### **WHAT TO BRING**

As you begin to pack, here is a reminder of what is available to you at this home: fully equipped kitchen, dishwasher, washer/dryer, bed linens and towels, TV service, wireless DSL, gas grill.

**Mountain Sea Properties**  
**22 Whitney Farm Rd**
